NOTE TO PARENTS

There are several instances in which we will be taking photographs and/or video footage in the gymnasium.

- The first reason is that we have a Photo Gallery on our website. Parents may log on and see photos of the gymnasts, made during our classes. Sometimes we list the child's first name and age. You can log on to the website and see the photos at: **www.PENultimateGym.com**

- The fourth reason is that PENultimate Gymnastics has a sister company called **PENultimate Gymnastics Supplies** which produces educational and training materials, which are used by gymnastics and dance instructors in the USA and around the world. Some of these materials are books, CD's, DVD's and video tapes, and powerpoint presentations, which include photos and video footage taken at PENultimate Gymnastics. The childrens' names are not listed individually, but are listed as a group, in the credits at the beginning of the books. Some of these materials are items which the gymnasts and parents might want to used at home. These are available for purchase at a discount for participating families.
